

Less Like Me [G, 85 bpm, 4/4]

[Default Arrangement] by Hank Bentley, Mia Fieldes, and Zach Williams

G //// C //// G //// C ////

Oh, I have days I lose the fight
Try my best but just don't get it right
Well I talk a talk that I don't walk
And miss the moments right before my eyes
Somebody with a hurt that I could have helped
Somebody with a hand that I could have held
When I just can't see past myself
Oh Lord help me be

CHORUS

A little more like mercy, a little more like grace
A little more like kindness, goodness, love, and faith
A little more like patience, a little more like peace
A little more like Jesus, a little less like me

G /// D / C //// X2

Yeah, there's no denying I have changed
'Cause I've been saved from who I used to be
But even at my best I must confess
I still need help to see the way You see
Somebody with a hurt that I could have helped
Somebody with a hand that I could have held
When I just can't see past myself
Oh Lord, help me be
